

Foundation for Jobs is an **exciting project** aiming to **link employers** and **education** across the borough of **Redcar and Cleveland**.

Vision

Ensure that all young people access appropriate opportunities in education, training and employment to enable them to fulfil their aspirations, exceed predicted outcomes and contribute positively to the local economy.

How will employers benefit?

- Encourage young people to enter their sector area and awareness of local Labour Market Information
- Future workforce (apprentices/graduates) have an understanding of the roles within your organisation
 - Can support Investors in People under social responsibility
